Auctioneer Note:

The Kisst Dairy has been in business for the last 37 years. Their continuous goal along with growth has been to breed high production, good uddered cows that work and stay in the herd year after year. If you need top genetics, good uddered cows with top production, you won't want to miss this sale. John has always thrived on using the best genetics money could buy. Take advantage of this great opportunity to buy the very best of cow families.
